Transformer AI powering history classes is reintegrated and re-
"Oh, the Places You'll Go!"
By Bruce
Congratulations!
Today is your day.
You're off to Great Places
You're off and away!
You have brains in your head.
You have feet in your shoes.
You can steer yourself any direction you choose.
You're on your way!
There's a little motor in you called the sky!
It's your own way like to the planet "Dewey" with a week of it.
Now that's the kind of future you want! It's
started with fortune and game,
rolled down quick in a rocket ship,
no search plane and no question of possibility,
nearest others to the future,
Twinkle, Twinkle, Dreamers.
